Welcome to All Saints' Day School!

We are delighted to welcome back our returning students and families and are excited about welcoming new children and families to All Saints' Day School. We look forward to a fun and productive year! Check out your *2024-25 Parent Handbook* so that you are in the loop for most things ASDS, and you know where to find information when you are in the midst of juggling life. We're all in this together, and together we will make 2024-25 a wonderful year for you and your children. Thank you for entrusting your little ones to our care!

Director Dianne

Staffing for 2024-2025

Jess Glenn	KidFit® Teacher

After-School Explorations

are also attached.

After-School Explorations are one-hour classes parents can contract for directly with individual providers, nearly all of which are members of the ASDS staff! Historically they have been offered throughout the school year in three to four cycles of 8-10 weeks in length. They “extend the school day” by 1 hour. Children need to be fully toilet trained in order to be eligible. The classes are offered on site, and there are always two adults present. We have an After-School Explorations Class every day of the week for this fall’s offerings which begin the week of September 9th. Check our calendar at the close of this newsletter to see what’s being offered on which day by whom. Registration forms

Student Drop-Off and Pick-Up Schedules

One of the popular outcomes of COVID-19 Restrictions is the drop-off and pick-up schedule set in the fall of 2020! The staggered arrivals and departures make for smooth transitions, have significantly reduced separation anxiety issues with our wee ones, and enable us to begin our instructional day sooner and without drama. Remember to post your laminated sign in your car window!

Drop-off Schedule is as follows:

Glass Door Entrance:

8:20: Teacher Karen’s Sea Turtles

8:30: Teacher Sandra’s Starfish

Upper Lot All Saints’ Sign Entrance

8:20: Teacher Susan’s Stingrays

8:30 Teacher Stephanie’s Sea Otters

If you are late, you will need to phone the Director at 8:45. She will meet you at the door, determine that your child has no fever, supervise the hand-washing, and take your child to class. Please call her at (757) 652-4469 or contact your child’s teacher.

Pick-up times are as follows:

All Classes - Glass Door Entrance Sidewalk:

Sea Turtles: 12:20

Starfish: 12:30

Stingrays: 12:20

Sea Otters: 12:30

We will get your children into their car-seats, **but for insurance reasons**, we are not permitted to be responsible for buckling them in. We ask that you pull forward, without pulling out of line, and into a parking space in the lot ahead of you to buckle your children in so that traffic is not held up. Thank you for helping us keep everyone, especially the children, safe.

PATTCH in 2024 - 2025

What does PATTCH do? PATTCH adds to our children’s school experience by organizing fun and memorable seasonal events. Trunk-Or-Treat, Teacher Appreciation Week, community service projects, and fundraisers are among the domains that fit under this umbrella. They also raise money for purchasing new school equipment, maintaining the playground, and other expenses that fall within their purvey.

How does PATTCH do it?

Brittany Tovissi and Kate Malla (both ASDS parents), will be serving as co-leaders of this year’s PATTCH. Brittney served as one of our co-leaders last year.

What is MY/OUR role?

As a family, you have already been encouraged to join PATTCH. The membership fee per family is \$30. These dues help defray some of the costs of producing the activities that punctuate our school year.

As parents, you will be encouraged to sign up to lead and/or serve on sub-committees associated with the planned activities. K-12 research shows that parents' involvement in their children's schools is highly correlated with their children's school success. The research did not include preschool-aged students, but you can think of ASDS as your practice run!

Your Monthly Newsletter

You can look for this newsletter on or about the first of each month. It will contain all sorts of news; including reports from the individual classrooms. It will also be chocked FULL of pictures. There will be a calendar of what's on the horizon for the current and ensuing months. The latter is on its own page and formatted as a fridge posting that both you and your children can reference. Some folks like to forward the newsletter to the grandparents, so they can keep up with what's going on with their little treasures. If the "grands" live at a distance, it gives them FaceTime™ fodder for engaging your children. If the grandparents do Facebook™, you might alert them to our Facebook™ page (All Saints Day School). It will give them, and you, a nearly daily view of what's happening here at ASDS.

WELCOME TO ASDS,
where our children learn and build relationships through
purposeful play!

Meet The Teacher 2024 -2025

Happy Places, Happy Faces!

For The Fridge...

Date	Kids' Version	Activity	Notes
